WELCOME!

Dear Members:

As of July 1st, the family of the Beacon Community Credit Union welcomes the family of the 1st United Labor Federal Credit Union. Now the members of 1st United Labor Federal Credit Union can keep the financial services they have come to rely on, while taking advantage of the full array of services offered by Beacon Community Credit Union (BCCU).

BCCU takes pride in serving all of our members with fast, efficient, personal service, whether by phone, in person, through the Shared Branches, or by one of our technology services. We want to assist each of our members with their unique financial needs through our multifaceted share draft (checking) services, our short-term and long-term savings program, and our varied lending programs.

All of your account information will be transferred from 1st United Labor FCU to BCCU. We will be sending you your new account information along with our disclosures and a copy of our Membership Agreement. Please read this information and let us hear from you if you have any questions.
