LETTER TO UNION MEMBERS

Dear Member:

This letter is directed to you solely as a member of the consuming public.

We wish to inform you that this Union is engaged in an area standards dispute with Worldwide Transportation.

It is our understanding that the Company is unfairly competing with several other employers whose employees are Union members by paying substandard wages and benefits. As a matter of simple economics, it is clear that we cannot maintain our present Union standards or improve them as long as there are employees who receive less. We sincerely believe that, in view of all the circumstances, we are justified in asking for your support.

Fraternally yours,

Fred Zuckerman
